FOR IMMEDIATE RELEASE

CDN MAVERICK UPGRADES US LISTING TO OTCQB

Vancouver, British Columbia – January 20, 2021 – CDN Maverick Capital Corp. (“Maverick” or the “Company”) (CSE: CDN; OTCPINK:AXVEF; Frankfurt: A117RU) is pleased to report that the Company is near completion of graduating its US Listing from the OTC Pink Sheets to the OTCQB. With an anticipated effective date at market open on January 22, 2021, Maverick will trade as an OTCQB issuer under the symbol “AXVEF”. The OTCQB® Venture Market offers investors transparent trading in entrepreneurial and development stage U.S. and international companies that may not yet qualify for OTCQX.

Company Benefits on OTCQB

- Minimum bid price test of \$0.01 removes companies that are most likely to be the subject of dilutive stock fraud schemes and promotion
- Improved investor confidence through verified information, confirming that the Company Profile displayed on www.otcm Markets.com is current and complete
- Annual management certification process to verify officers, directors, controlling shareholders, and shares outstanding
- Greater information availability for investors through the OTC Disclosure & News Service
- Transparent prices for investors through full-depth of book with Real Time Level 2 quotes

Companies use the OTC Disclosure & News to post disclosure and company news for investors. Annual and interim reports, news releases, material events, investor videos, and presentations appear on www.otcm Markets.com and the company quote page. Companies can also elect to have this information feed directly to PR Newswire’s expansive network, including local, national and Reg. FD-compliant news portals. OTC Disclosure & News also distributes fundamental data in XBRL format through EDGAR Online to investment databases and financial sites such as Yahoo! Finance.
